A COMMUNITY CAFE' ...

WHERE EVERYONE IS WELCOME !

Thank you for your interest in The Kitchen Table!

What is The Kitchen Table?

The Kitchen Table is an IRS registered 501(c)(3) non-profit, pay-what-you-can community cafe', dedicated to serving nutritious meals two evenings per week. Produce will be obtained from local sources whenever possible. Everybody eats regardless of means. The Kitchen Table operates solely by volunteers.

How much do guests pay to eat?

For those financially able, we encourage you to make a donation. If you can't, that's okay. Tell us you'd like to volunteer in exchange for meals.

The generous support of many local businesses, professionals, and volunteers make this service possible. We hope that as community involvement grows, we'll be able to increase the number of people we can serve.
